

### General Information

The Pastor's Installation Headquarters (HQ) is located in the former Youth Office by the mailboxes near the lower level entrance to Patterson-Gaines. All information about the Dr. Parrott's Installation March 4-11, 2018 may be found at the Installation HQ's, not the main office. If you have a question other than after Sunday service, you may call the HQ's phone number at 804-505-4519.

Mission is our Pastor's passion. The Mission Project will be a collaboration with Habitat for Humanity and FBCH, coordinated with the JC Patterson Missionary Society. We will participate in fund raising and construction of a brand-new home for a local family in Hampton. The site will be at 213 Union Street. The city has donated the land and we will support the efforts from beginning to end starting Spring, 2018. The project is classified as a Faith Build because it will include other downtown churches. More information will be shared later.
