Sermon Scripture: Mark 16:4 (GNT)

Message Title: Roll Out!

Current Context:

- The reason that we celebrate today is because Jesus rolled out!
- He rolled out to assure folks that He was yet alive; rolled out so the wicked would not win; rolled out so Joseph could get his tomb back...Jesus rolled out!
- Rolling out, though, is not always easy business.
 - There are questions you cannot answer
 - There are problems you cannot solve
 - There are storms you cannot stop
 - There are diseases you cannot cure
 - There are tests you cannot pass
- The good news is that when I wanted to give up, God held me up! When everybody walked out, God stepped in...God keeps doing great things for me so I can roll out!
- Every now and then, you need to let God give you a flashback that will help sustain you when times get tough, so you can keep pushing.
- Jesus had to keep pushing when He was hanging on the cross; to keep pushing when they pierced Him; and keep pushing when they nailed Him!

Relevant Question(s):

- What do we do to roll out?

Sermon Observations:

1. You must be willing to go in faith!
2. You must be willing to grow in faith!

Calvary Connection:

- While we were yet sinners, God didn't give up! He sent Jesus because He didn't give up! Jesus died on Friday, but He didn't give up; was dead on Saturday, but didn't give up...and early on Sunday morning, Jesus got up and rolled out with all power! All power to help you go; all power to help you grow!

Personal Reflection:

- What songs, scriptures, poems, etc...cause you to "flashback" about God's Hand holding you and covering your life? How have you seen your faith change/grow over the past two years?
