**Sermon Outline Closed Notes:**

**Sermon Scripture:** Ezekiel 37:1 – 10 (GNT)

**Message Title:** Enough God!

**Current/Scripture Context:**

- There is a cold wind blowing across our current human landscape that has created a climate of d\_\_\_\_\_ and h\_\_\_\_\_!
- The Coronavirus, and now Monkey Pox, has helped unmask the f\_\_\_\_\_ in the frail fault-lines of our humanity.
- People in positions of political power treating our e\_\_\_\_\_ as commodities that are expendable.
- Our relationships are d\_\_\_\_\_; our communications are s\_\_\_\_\_; our job searches are c\_\_\_\_\_.
- We are so busy trying to live, that we miss the value of l\_\_\_\_\_!
- We are called to something d\_\_\_\_\_!
- Ezekiel first comes with a message of d\_\_\_\_\_ and d\_\_\_\_\_.
- He had to tell people that during this season of distress, take time to r\_\_\_\_\_ God!
- The people of f\_\_\_\_\_ were b\_\_\_\_\_; bruised; b\_\_\_\_\_; and b\_\_\_\_\_ and here comes Ezekiel seemingly piling on to their pain.
- The Babylonian king was probably g\_\_\_\_\_ about the distress of those who did not support him...he was “owning” the Israelites.
- Ezekiel, though, sees something in a v\_\_\_\_\_.
- Now, Ezekiel has a message of h\_\_\_\_\_!
- The people of faith, must always be seeking to h\_\_\_\_\_ from God, a message that can change our lives!
- We must always take a chance on the fact that God is e\_\_\_\_\_ God!

**Relevant Question:**

- What are the signs that God is enough God?

### **Sermon Observations:**

1. God is enough God to r\_\_\_\_\_ you!
2. God is enough God to r\_\_\_\_\_ you!
3. God is enough God to r\_\_\_\_\_ you!

### **Calvary Connection:**

- God is enough God to s\_\_\_\_\_ you in Jesus' Name! There is still power in Jesus' Name! At the Name of Jesus, every k\_\_\_\_\_ must bow; that Name will l\_\_\_\_\_ your head; that Name will c\_\_\_\_\_ your life! That name d\_\_\_\_\_ on Friday; but e\_\_\_\_\_ on Sunday morning that Name, Jesus got out of the grave...there's something about that Name that reminds us that our God is enough God!

### **Personal Reflection:**

- How do you see and feel God reshaping you? What has God rescued you from? How are you working to help others know the love of God so that they can be reshaped?
