Message Title: Make Your Move!

Current Context:

- The truth of the matter is that no matter what faith **f**_____ you find yourself in, God is calling you and **c**_____ you to make a move!
- When you decide to move, you are no longer just **f**_____...you become, as Paul describes, an **a**_____ in chains!
- Many people will not move because they don't think that moving is a part of their present **r**_____: "I've always been here; always been like this; always been in this place"...but **m**_____ is in your **b**_____!
- Peter, in the text, represents the essence of the believer's **e**_____.
- Peter not only **l**_____ the Lord, but he also has some **i**_____. His problems, his faults, and his lapses, though, would all be used to be a **b**_____ to somebody else!
 - When he was **r**_____ to move, he was **r**_____ for helping his brothers and sisters move as well!
- God has **c**_____ you, like He did Peter, to **m**_____!

Relevant Question(s):

- How do you make your move?

Sermon Observations:

1. You must let God **p**_____ you and **p**_____you!
2. You must also let God **p**_____ you!

Calvary Connection:

- We've heard other **v**_____, but those voices have been **s**_____. There's another voice, however, that **b**_____ through **e**_____ into time! A voice that was born in a **b**_____ in Bethlehem! On Friday it looked like His voice would be **s**_____; but early on Sunday morning, He got **p**_____ out of the grave, and His voice **s**_____, "I've got all power in my hands!" And Jesus is still **t**_____ today!

Personal Reflection:

- Has God ever planted you in an uncomfortable place? How did it grow you and/or change you?
- Do you believe that God has moved, and still moves today in our lives? Why or why not?
