Sermon Scripture: John 5:1 – 9a (GNT)

Message Title: Nothing Can Stop Us but Us!

Current Context:

- We have within us the capacity to be **i**_____ and **i**_____, but in some of us this potential for **g**_____ lies dormant under layers and layers of **i**_____, inconsistency, and a feverish **c**_____ to **c**_____ to do what we've only done!
- Many of us get **c**_____ with and **a**_____ with being **a**_____!
- And the truth is that the church given life at **P**_____, has never been called to averageness, we are called to **n**_____ and **n**_____ **g**_____!
- In the text, they are all dealing with different **c**_____; they all could've rationalized that they should just **b**_____ in with the **c**_____, but some of them said, "I've got to **s**_____ out so I'm getting to the pool!"
- Their testimony was, I don't want to just fit-in, I want to be **f**_____ for my **K**_____ assignment...they decided that **n**_____ can stop us!

Relevant Question(s):

- How do I change my perspective about adversity, so I can live full throttle with God? How do I develop a "Nothing can stop us" mentality?

Sermon Observations:

1. You must learn to live with **g**_____ **e**_____!
2. You must learn to live with **e**_____!
3. You must learn to live by the **W**_____ of the **L**_____!

Calvary Connection:

- Jesus **h**_____; Jesus **b**_____; Jesus **d**_____; but early, Jesus **r**_____; Jesus **l**_____; Jesus **r**_____; Jesus **r**_____; Jesus has regency; and He **l**_____ in you...so don't stop **p**_____ your way; don't stop **t**_____ His Word. If God be for us, then **n**_____, but **u**____, can stop us!

Personal Reflection:

- What are the unique challenges that you face, personally, to not just live on memory, but to move in imagination?
- What has God been challenging you/us to see; to believe; and to do that has never been done before?
