Current Context:

- He rolled out to assure folks that He was yet a_____; rolled out so the w_____ would not win; rolled out so J_____ could get his tomb back...Jesus rolled out!
- Rolling out, though, is not always easy business.
 - There are q_____ you cannot a_____
 - There are p_____ you cannot s_____
 - There are s_____ you cannot s_____
 - There are d_____ you cannot c_____
 - There are t_____ you cannot p_____
- The good news is that when I wanted to g_____ up, God h_____ me up! When everybody w_____ out, God s_____ in...God keeps doing g_____ things for me so I can roll out!
- Every now and then, you need to let God give you a f_____ that will help sustain you when times get t_____, so you can keep pushing.
- Jesus had to keep pushing when He was hanging on the cross; to keep pushing when they p_____ Him; and keep pushing when they n_____ Him!

Relevant Question(s):

- What do we do to roll out?

Sermon Observations:

1. You must be willing to g_____ in f_____!
2. You must be willing to g_____ in f_____!

Calvary Connection:

- While we were yet s_____, God didn't g_____ up! He sent Jesus because He didn't g_____ up! Jesus died on F_____, but He didn't give up; was dead on S_____, but didn't give up...and early on Sunday morning, Jesus got up and r_____ out with all power! All power to help you g_____; all power to help you g_____!

Personal Reflection:

- What songs, scriptures, poems, etc...cause you to “flashback” about God’s Hand holding you and covering your life? How have you seen your faith change/grow over the past two years?
