Proposed Golf Ministry

First Family, we are proposing and planning a recreational ministry that's open to all brothers, sisters, and children interested in the sport of golf. It is important to get the word out that this ministry invites **all members**, regardless of age or gender. We are looking forward to having a great family ministry. Although the summer is almost over, we are inquiring to determine the number of interested members, with hopes of making more specific and detailed plans for next year; and having a possible kick-off gathering or two before the winter months this year.

In an effort to finalize the ministry plans, and elicit your input, I need the following information: skill level of interested golfers, type of support and needs for the group, and identified volunteers for instruction and support to beginners and youth golfers. **Please answer the following questions and return to cwpearson2365@gmail.com**

Questionnaire

1. How would you rate your golfing level: Very Good Good Average Beginner
2. How often would you commit to meeting/playing: Once a Month Twice a month.
3. If you play, what day(s) is/are best for you: Mon Tues Wed Thurs Fri
4. If you are a beginner, are you interested in golfing instruction: Yes No
5. If you are a seasoned golfer, are you interested in helping new golfers: Yes No Possibly.
